

FIRE EXTINGUISHERS

WHAT SHOULD WE DO?

Stay Calm

Don't panic.

P. A. S. S.

Pull the pin

Aim at the base of the fire

Squeeze the lever

Sweep from side to side

Shake the Extinguisher

Shake the extinguisher quarterly to mix the powder, preventing it from settling to the bottom.

Call 9-1-1

If the fire is larger than a small garbage can or is unable to be extinguished, call 911. First responders are always ready to help. When in doubt, call 9-1-1

Disposal

In San Mateo County, if your extinguisher is expired, empty out the contents into a bag and throw the contents into the trash. Recycle the extinguisher.
