Learn how to protect yourself, your loved ones, and your community.

The Community Emergency Response Team (CERT) Program educates people about disaster preparedness and trains them in basic disaster response skills, such as fire safety, light search and rescue, team organization, and disaster medical operations.

This free training is a new hybrid online and in-person format and includes:

- an online lecture portion available in both English and Spanish
- in-person, hands-on, practical portion

Online Lectures (At your own pace and convenience)

- Estimated Time 12 hours
- Access it on your mobile device or computer.
- Complete it at your pace and at your convenience.
- Course progress will be saved and can be resumed later.
- Must be completed before hands-on, practical portion of your training.

In-Person, Hands-On Practical Skills Training

- Estimated Time 16 hrs
- Date and Time: TBD, based on current public health orders
